

## Saturday Sampler-Block 25

### Floating Star

Block finishes 6" square (6½ unfinished)

We are finishing the Saturday Sampler series with a simple Floating Star block. My finished quilt uses 18 of these blocks in the setting.

5

What you need:

Fabric 1 (red): one 2½" square (A) and 12 1½" squares (B), (C)

Fabric 2 (white): eight 2½" squares (D), (E)

Sew it together:

1. Draw a diagonal line on the back of all twelve 1½" Fabric 1 squares (fig. 1). Place a Fabric 1 square RST on top of a 2½" square of Fabric 2. Sew on the drawn line (fig. 2). Trim corner ¼" from the sewing line (fig. 3). Press toward the corner triangle (fig. 4). Make eight units. Set aside four of these units for the corners. Continue to Step 2 with the remaining four units and the remaining 1½" squares of Fabric 1.
2. Place a Fabric 2 square RST on the corner of the square and sew on the drawn line as shown in fig. 5. Trim the corner ¼" from the sewing line (fig. 6). Press toward the corner triangle (fig. 6). Repeat to make four units.

I love this block in a two-color quilt,  
but it is also beautiful made scrappy!
